Christin Hemann	Area Agencies on Aging (AAA)	California Department of Aging	Contracts with and provides leadership and direction to AAA that coordinate a wide array of services to seniors and adults with disabilities. These services are available through existing funding and may include serving seniors and adults with disabilities impacted by drought. However, no additional funding is available or targeted specific to drought.	You can locate an AAA in your area by calling 1-800-510-2020 or visit the website at: http://www.aging.ca.gov/ProgramsProviders/AAA/Default.asp				X		Christin Hemann Assistant Director Leg & Public Affairs 916.419.7504 Christin.Hemann@aging.ca.gov
	State Banking	California Department of Business Oversight (DBO) Division of Financial Institutions (DFI)	Cal OES sends a letter to the Division of Financial Institutions, and requests the banking community's support in recognizing the severity of a disaster, and work with the victims affected in their effort to repay loans. <i>Although no declaration is required, Cal OES has historically done this for those disasters declared by the President.</i>							Agnes Pagaduan, Secretary 415.263.8507
	Medi-Cal Health Coverage	California Department of Health Care Services (DHCS)	Medical, dental, and vision care coverage to low-income individuals, including families with children, seniors, persons with disabilities, pregnant women and low-income people with specific diseases.	A listing of local county welfare/social services departments can be found at http://www.cwda.org/links/chsa.php				X

	Community Development Block Grant (CDBG) Program	California Department of Housing and Community Development (HCD)	<p>Funding may be made available for eligible cities and counties to apply. Funds may be allocated for public services, which include, and may not be limited to child care, health care, job training, recreation programs, education, public safety, services for senior citizens, services for homeless, drug and alcohol abuse counseling, transportation, nutrition services, food bank services, and mortgage rental and utility assistance.</p> <p>Note: Information taken from what was made available.</p>	<p>Information can be found at www.hcd.ca.gov/fa/cdbg/PlanTech.html</p> <p>Note: Per a 1/15/14 e-mail from Thomas Brandberry, CDBG Section Chief: CDBG does have a disaster component that allows it to be used under the National Objective of Urgent Need. Current CDBG contracts already awarded in the area of a disaster may have funds redirected to CDBG eligible disaster funding if a disaster declaration has been made. They can also use their local Program Income. An activity must be designed to alleviate existing conditions, which the local government certifies and the state determines:</p> <ul style="list-style-type: none"> - Pose a serious and immediate threat to the health or welfare of the community; - Are of recent origin or recently became urgent; - The state grant recipient is unable to finance the activity on its own; and - Other sources of funding are not available to carry out. <p>A condition will generally be considered to be of recent origin if it is developed or became critical within 18 months preceding the state grant recipient's certification.</p> <p>Reference: 24 CFR 570.483(d)</p>				X		Leslie Lopez 916.653.4090
